Agricultural Income Certificate

This is to certify that **Pramtos Kumar Nath**, Son of Ashine Kumar Nath and Suvadra Rani, is a permanent resident of Village- Kazirbag, P.O- D.T.M-3900, Feni Sadar, Feni, NID No- 3712932361.

Mr. **Pramtos Kumar Nath** is a co-owner of agricultural land jointly registered in the names of himself and his two brothers, inherited from their late father. Although the ownership is shared, he is presently cultivating and managing the entire land area for a long time, which is a common practice in the rural agricultural communities of Bangladesh.

The lands are: Mouza & JL: Kazirbag – 60, - Upazila: Feni Sadar, District: Feni, – Khatiyan No: 1223, – “Deed number: 4308 – 14 Decimal”, “Deed number: 4324 – 9 Decimal”, “Deed number: 4329 – 22 Decimal” = Total 45 Decimal.

Agriculture is one of his sources of income, alongside his business activities. As per my knowledge and records, the details of his approximate annual income from agricultural activities are as follows:

Year	Cultivated Land	Cultivated Crops	Annual Income (BDT)
2024-2025	45 Decimals	Rice, Fruits, Forest Trees, Flowers	3,50,000
Total=			3,50,000

This certificate is issued based on the report of the Upazila Agricultural Field Staff Reports, Documents, self-declaration by the applicant regarding the cultivation process, and due inquiries through concerned Revenue Inspectors.
